### Greetings

From the Supreme Basileus

To Our Dear Founder, Soror Juanita Parnell; Supreme Directorate, National Officers, and Sorors of Tau Gamma Delta Sorority, Incorporated:

It is with pleasure and pride to welcome you to the 58<sup>th</sup> Boulé Zoom Webinar. TGD members assembling on a virtual platform is a first in the Sorority's history. This is a unique opportunity for us to collectively rise above the present circumstances and to persevere through the coronavirus pandemic with a positive attitude and a hopeful spirit.

Many thanks to the National Officers who took on the challenge to plan and coordinate a virtual Boulé to enable our Sorors to conduct the business of this Sorority. The days and hours have been long and at times tiresome but the benefits of learning new skills and technology and doing something big, bold and creative is worth the sacrifice.

Let us stay the course *"Reaching Our Vision Through Sisterhood and Service"*, and our commitment to provide continued service in our communities which is needed more than ever.

I am deeply humbled to lead Tau Gamma Delta Sorority sisterhood, during this unprecedented time. We are moving on to greater things ahead leaving no Soror behind. Let us rise together to *"Illuminate the Pathway"* forward.

*There is no stopping us now.*

Sisterly,

Soror Fayette Caffie

## Greetings from Supreme Directorate

Soror Pamela Garrett

Founder Parnell, Members of the Supreme Directorate, Supreme Basileus Caffie, National Officers and Sorors:

Hello. What a blessing to have been given this gift of reuniting again. It goes without saying that the Covid-19 Pandemic is redefining how we live our lives and conduct business. It also affects how conferences such as our bi-annual Boule will be presented during these uncommon times.

It has been said that you can't always control the things that happen but you can control your reaction to them. In announcing the Call to Boule 2020 our Supreme Basileus, Soror Fayettea Caffie has chosen to accept and adapt to change, push through obstacles and move forward.

On behalf of the members of the Supreme Directorate I am delighted to welcome you to our 58<sup>th</sup> Boule. Let's have a wonderful week of sisterhood and service as we make progressive decisions that will continue the vision of our beloved Founders.

Founder,  
Soror Juanita Parnell

**Inspirational Thoughts:**

We delight in the beauty of the butterfly, but rarely admit the changes it has gone through to achieve that beauty.

**Maya Angelou**

**Song: Blessed Assurance**

**Scripture:** Hast thou not known? hast thou not heard, that the everlasting God, the LORD, the Creator of the ends of the earth, fainteth not, neither is weary? there is no searching of his understanding. He giveth power to the faint; and to them that have no might he increaseth strength. Even the youths shall faint and be weary, and the young men shall utterly fall: But they that wait upon the LORD shall renew their strength; they shall mount up with wings as eagles; they shall run, and not be weary; and they shall walk, and not faint.

**Prayer:** Almighty God, we come to you asking you for strength during this season of unrest and uncertainty. We are asking for your guidance as we move forward. For you are our creator and sustainer, you are our Light and our Fortress, and our Wisdom and strength. May our conduct and actions create a spirit of wisdom and cooperation as we move forward Thanks for the opportunities that you give us to serve you and to serve others. May we accomplish all that you would have us to do this day and every day that you give us. May our actions and attitudes please you. We pray these things in your mighty name. Amen

**Thought for Today:** Your life is your message to the world. Make sure it is inspiring!

## **• Unfinished Business**

### **• National Historian Report**

**The interview with Founder Juanita Parnell has not been completed mainly because of the emergence of the Covid 19 pandemic. A monetary quote has been secured for the production of the interview.**

**Founder Parnell remains extremely receptive and excited to complete the interview.**

**Special thanks to Soror Doreen McKenzie(Pi) for assistance with the interview questions.**

## **Sorority Initiatives**

### **• Membership Numbers**

**Membership numbers are being developed for each soror. This will be a "6-DIGIT" coded system.**

- **First number will represent the region  
(1-Central, 2-Eastern, 3-Southern, 4-Western)**
- **Second and third numbers will represent the Chapter**
- **Fourth-Fifth-Sixth numbers will identify a soror in each Chapter. Sorors will be able to use their membership number to log into the sorority website.**

### **• Membership Cards**

**New "plastic" memberships cards for each soror are almost finalized.**

**In August, membership numbers and cards will be presented to the Supreme Directorate for approval.**

- **Membership Data-Base**

There is a need to establish a sorority data-base. Such a system would be a vehicle to house sorority documents and provide readily access to each soror's history, skills, skills, resources, etc.

The data-base would eliminate excessive paperwork. For security purposes, information would not be a part of the sorority website.

**Concerns:**

- **National Officers:** The commitment of National Officers to perform duties during the sorority year needs improvement. When elected or appointed, the expectation is that one will perform all duties.
- **Quarterly Reports:** Chapters must submit all reports on time, Chapters must comply with and submit fines when reports are not timely.

Discussion: Consequences should be strictly imposed on chapters when reports are tardy. Changes in submission of reports may reflect changes to Handbook and Constitution - Bylaws

Suggestion:

Continue the use of email to send reports to the Supreme Directorate Chair, Supreme Basileus, 1<sup>st</sup> & 2<sup>nd</sup> Anti- Basili, and Regional Director. Hard copies should also be sent to Regional Directors.

- **Central Region:** Qualified candidates need to be identified to run for Central Regional Director. Leadership is needed.
- **Auditing Committee:** Sorority finances have not officially been audited for several years. Members with financial experiences are needed for this committee.
- **Documentation:**

There is a lack of documentation of chapters being registered in their state.

Many sorority / chapter documents are currently illegible and / or unavailable. This supports the need for a viable sorority data-base.
- **Awards:** Chapters need to submit paperwork for Sorority Awards. Awards reflect the positive accomplishments of sorors and chapters.

A smaller replica of the Ballard Award Trophy for "Chapter of the Year" has been purchased. Tau Chapter (Philadelphia) was the only chapter applying for this award for two consecutive Boules.

**Inspirational Thoughts:** The kind of beauty I want most is the hard-to-get kind that comes from within - strength, courage, dignity.

**Ruby Dee**

**Song:** Lift Every Voice and Sing

**Scripture:** Love is patient, love is kind. It does not envy, it does not boast, it is not proud. It does not dishonor others, it is not self-seeking, it is not easily angered, it keeps no record of wrongs. Love does not delight in evil but rejoices with the truth. It always protects, always trusts, always hopes, always perseveres. 1<sup>st</sup> Corinthians 13:4-7

**Prayer:** God of all creation, we come before you today to give you honor and praise. You are worthy of all praise. We pray for guidance in the matters at hand and ask that you would clearly show us how to conduct our work with a spirit of joy and enthusiasm. Thank you for every gift that we have been given. We ask for your hand of blessing on this Boule. Help us to work together and encourage each other to excellence. We ask that we would challenge each other to reach higher and farther to be the best we can be. We ask that you touch and heal any amongst us that are sick. We ask that you bless, touch and heal the world as a whole. We ask you watch over and protect all of the world leaders. Lord, we need your divine intervention with matters that are at hand in the United States and in the world. Lord, we ask that you lead, guide and direct the Center for Disease Control, the World Health Organization, and all of the researchers as they work on a vaccine for the cure of the COVID 19 virus. We thank you for watching over and protecting all of our essential workers. Please continue to bless our chain of Sisterhood and keep us strong. All of these blessings, we ask in your mighty name! Amen

**INSPIRATIONAL THOUGHTS**

You are unique in God's kingdom. There is no one like you. No one has the talents, skills, and abilities that you have. No one has the experience that you have. No one can do the things that you can do. No one can achieve the destiny that God has for your life - except you. And no one can replace you in God's heart. No one could ever be so special to God that God wouldn't still yearn for your company. You are incredibly important to God. You are adorable and treasured in God's sight. God loves you just the way you are. God thinks you are awesome, yet God is eager to help you become even more - more joyful, more contented, more mature, and more blessed. You are uniquely qualified and prepared for each day, because God is living in you and you are living inside God's love.

**Prayer:** Father, as we gather together, we praise You for this day and Your purpose for it. Reset our agendas, as we sit in Your presence. For You assure us that where two or more gather in Your name You are here. Recalibrate our intentions and refocus our hearts. Your will for our lives does not always reflect our plans. Change them to reflect Your will. Help us to understand that we don't need full clarity to walk into the unique purpose You've inlaid in our lives. We ask that you touch and heal if there are any sick amongst us. Also, please touch and heal the world as a whole and comfort all of the bereaved. Amen!

**Prayer:** Father, We come to you this morning thanking you for this day. We thank you Lord for watching over and protecting us throughout the night. We are so grateful for all your many blessings that you bestow upon us. You continue to give us renewed strength and courage each day to do the work that you have given us to do. We pray for guidance in the matters at hand and ask that you would clearly show us how to conduct our work with a spirit of joy and enthusiasm. Give us the desire to find ways to excel in our work. Help us to work together and encourage each other to excellence. We ask that we would challenge each other to reach higher and farther to be the best we can be. **Women: Just Beautiful!!**

What makes me weak? My fears....  
What makes me whole? My Religion.  
What keeps me standing? My faith.  
What makes me compassionate? My selflessness.  
What makes me honest? My integrity.  
What sustains my mind? My quest for knowledge.  
What teaches me all lessons? My mistakes.  
What lifts my head high? My pride, not arrogance.  
What if I can't go on? Not an option.  
What makes me victorious? My courage to climb.  
What makes me competent? My confidence.  
What makes me a woman? My heart.  
What empowers me? My Spirit.  
Who am I? I AM A PROUD STRONG WOMAN!

**Prayer:** We thank you for the opportunity to come and gather together this day. We praise you today with our hearts and songs, we praise you for your faithfulness, we praise you for your great power and love. We confess our need for you, our lives don't go so well when we just spin around on our own. We struggle and worry, get weary and worn. Yet you never leave us. Thank you for your presence. Thank you for your care over us, thank you that you breathe renewal right into our souls. We ask for your spirit to fill us, to draw us close to yourself, and to work your purposes through us, as we set our eyes on you. Thank you for helping us to accomplish our work and our goals during this Boule. In Jesus' Name, we pray, **Amen!**

\* Report displayed on Screen

**< Discussion: (After reviewing Report) The following comments were made.**

**< Soror Fayette Caffie, Tau:** Only \$1000 was given to the Scholarship recipient. The National recipient should not receive less than \$1500.00.

**< Soror Linda McClellan, Rho:** When errors are made they should be corrected. Since there was not prior knowledge of this error, Soror McClellan made the following motion; It was moved by that the scholarship recipient be given the additional \$500.00, seconded by Soror Lynette Banks Lightfoot. Voting Strength 37; Motion Passed.

**\* The \$1000.00 scholarship appeared in the 2018-2019 report and in the 2019-2020.**

**< Clarification: Soror Selena Richardson, Beta :**stated that the \$1000.00 reported in the 2018-2019 report was awarded as a **Community Service Award** and taken from the scholarship fund. The \$1000.0 listed in the 2019-2020 report occurred as the result a voucher submitted late by the chapter that awarded the scholarship

**< Since it was voted to award the additional \$500.0 to the recipient, the chapter awarding the scholarship should submit a voucher to receive the funds. Also stated that when the recipient was named, the student was in school and should be awarded the additional funds. (No decision was made regarding this issue.)**

**< Audit Committee: Soror Jeanette Patterson, Gamma:** Soror Patterson prefaced her report by quoting from the Constitution By-Laws, page 41, section a which states; **"The Audit Committee should receive a copy of the annual report of the Supreme Epistles and Supreme Tamiochus at least (2) weeks prior to Boule."**

She received these reports (1) week before Boule which did not give the committee ample time to make a valid audit report. The committee chair made a recommendation which will be sent to Chapter Basillii to discuss with chapter members. This recommendation will be added to the list of recommendations and voted on at that time.

**< Budget: Soror Jasmine Bullock, Supreme Epistaleus**

< Soror Bullock presented a proposed budget and gave rationale for new suggested changes, adjustments and proposed increases to the budget. The completed report will be printed in the 58th Boule Minutes.

**Nominating Committee:** Soror Shirley Plater, Chair;

Soror Ida Lowe Co-Chair

**< Response:** Soror Selena Richardson, Supreme Tamiochus, stated that an addendum regarding that matter will be included in the financial Report.

**<Unfinished Business:**

- \*Soror Cafife, Supreme Basileus stated that there was a deadline for recommendations. Therefore there is not adequate time to address late recommendations at this time. As a result only recommendations from the following Committees will be addressed at the next session: Audit committee, Proposed Budget committee Approval

**< A lengthy discussion ensued regarding this decision:**

**\* Comments From The Founder: Soror Juanita Parnell, Beta:**

- \* Soror Parnell stated that the purpose of having a Boule is to try to complete all Sorority business to keep from having to carry over issues to the next two years
- \* Soror Ida Lowe, Tau, Nominating Committee; stated the recommendations regarding attending 3 Boules in 5 years needs to be resolved prior to the next Boule.
- \* Soror Loretta Daniels, Pi commented on the same issue stating that it's impossible to attend 3 Boules in 5 years. This decision was made when Boule was held each year and was not changed when Boule was moved to be Bi-Annually.
- \* Soror Doreen McKenzie, Pi stated that more importantly for service on the Supreme Directorate should involve experiences in TGD.
- \* Soror Pamela Garrett, Rho, Supreme Directorate Chair, stated that the Board's recommendations could not be circulated in advance since the Board only meets formerly until the Tuesday prior to the beginning Boule session.
- \* Soror Jessie Freeman, Rho stated that it's not feasible to not act on recommendations submitted by the Board. This is a business meeting and business should not be tabled to the next Boule.
- \* Soror Caffie, Supreme Basileus: When this Virtual Boule was planned, it was understood that it would be a modified Boule with only four sessions covering three time zones as opposed to 7 sessions during an in person Boule. We planned to address the most important business because of the limited number of sessions.

**< Due to the extensive noted comments from TGD Sorors, the presiding officer, Soror McClellan decided that this was a matter that needed to be voted on and called for a motion to address this issue.**

- \* **It was moved and properly seconded to complete all unfinished business at the next session. MSP Soror Ida Lowe, Tau, seconded by Soror Louvenia Nivens, Kappa**

**\* Voting Results: 29 Yes, 5 No**

< All unfinished Business will be acted on at the next session at the Saturday Session July 25, 2020

Founders Fund.

\* Answer: Soror Pamela Garrett, Rho, Supreme Directorate Chair-This is an area  
that has to be researched and is currently being researched by Soror  
Bernice Chambers, Member-at-Large

\* Soror Linda McClellan, Rho. This matter requires a Constitution-By Laws amendment and should be addressed.

\* Soror Lynette Banks-Lightfoot, Xi Omega stated that if this is something the founders put in place we need not discount. If this is their request it should be carried out. A motion needs to come from the floor.

\* Founder Parnell: At the time it was decided, it was required.

\* Soror Linda McClellan\_ We need to add to By-Laws an amendment to address supporting the Founders' Fund for donations to Wayne State University.

\* Question: Soror Shirley Plater, Pi-What was the original amount sent?

\*response: Soror Jessie Freeman, Rho-No definite amount has been stipulated.

**< Motion: Chapters will be required to make a donation to the Founders Charity to Wayne State University, Detroit Michigan. MSP Jessie Freeman, Rho, Seconded by Doreen Mckenzie, Pi**

\* After lengthy discussion re pros and cons of the two recommendations, a vote was taken.

\*Recommendation #1; Yes 37, No 0 —Passed

\* Recommendation #2; Yes 35, No 2— Passed

**< Budget Approval:**

**BUDGET COMMITTEE REPORT** presented by Soror Jasmine Bullock, Supreme Epistaleus. The budget included a \$25.00 increase per member registration fee for a Boule year. It was clarified by Soror Caffie that although the increase would produce additional funds, host

chapters of Boule still only receive \$2500 total from National. This statement evoked much discussion. The 2020-2022 Budget was approved by common consent.

**< Nominating Committee:**

\*Recommendations were presented by Soror Ida Lowe, Tau. Three of the four recommendations received were in reference to modification to existing forms which were forwarded to the FORMS COMMITTEE.

\*The recommendation that addressed qualifications of a Supreme Directorate member was discussed at length..

\*Clarity was given by Soror Loretta Daniels, Pi Stating that the statement which says attendance at Boule in the last three years should be changed to 3 of the past 5 years since we only meet every two years.

\* Soror McClellan made clarification of this by stating it should read past 3 most recent Boules in order to be on the Supreme Directorate Board.

\* Soror Ida Lowe made a recommendation which states as follows:

**\* To be selected to the Supreme Directorate Board a Soror must have attended ( 3) of the past (5) Boules**

\* This was put to a vote: Voting results

**Yes, 34 / No 3**

\*The change to the Bylaws that was entered and accepted was stated as follows:

\* Soror Loretta Daniels, Pi advised Soror Harris that as Regional Director to review the Constitution By-Laws of TGD until such time as change is made.

At this time Soror Lightfoot is not qualified to be on the Board, but ca be considered in the future

\*Soror Linda McClellan, Rho quoted Roberts Rules of Order \_\_\_\_ Rules cannot be suspended without notifying the body previously.

< **Supreme Directorate Chairperson Recommendations:** These recommendations are included in their entirety in the minutes.

\* There were 8 recommendations from the Board.

< **Soror Linda McClellan Rho, Third Supreme Anti-Basileus** offered her expertise to the Nominating Committee in the revision of forms included in their report. **REPORT OF THE SUPREME DIRECTORATE**

Fellow members of the Supreme Directorate, Founder Parnell, Supreme Basileus Caffie, National Officers and Sorors:

If anything 2018-2020 has taught us to be prepared and to understand that at any given moment something or someone may 'move the cheese.'

During the 2018-2020 sororal year the Supreme Directorate has been active by doing our best to assist the Supreme Basileus in "Reaching our Vision through Sisterhood and Service" .

Beginning in August 2018 we conferred with past supreme Directorate Chair, Soror Ann Taylor to make the transition by completing tasks and recommendations from the 57<sup>th</sup> Boule Supreme Directorate meeting.

We have been included in and actively participated in conversations, teleconferences, and decisions made regarding a number of unforeseen circumstances that insured we would not be doing TGD business as normal. Such as the Sorority House challenges of water damage, the insurance assessment, the decision to sell the property and the actual selling of the property, the website crash, and for the first time that I know of the resignations of sorors in elected National Office positions. Lastly of course, the effect of the pandemic on the planning of the 58<sup>th</sup> Boule.

We have collaborated with the Supreme Basileus as well as the First and Second Anti-Basili to stay up to date on regional and chapter activity and we have often received Quarterly Reports from the Regional Directors.

We have been supportive of Sorors and chapters by mailing cards of sympathy and cheer. For the first time that I know of a sitting Supreme Basileus experienced the transition of an immediate family member and approved purchase of a plant to be sent on behalf of the sorority. We sent congratulatory message to new sorors and greetings to be read during Regional Conferences. As well. we reached out from time to time to encourage a few of our National officers.

During the 2018-2019 sororal year as chairperson I communicated with the other Supreme Directorate members with a quarterly update newsletter. When needed ballots were mailed as a method to gather their votes for certain issues such as the approval of simple updates to forms to make them more user friendly in an ever changing world. These changes/ updates/revisions may have been as simple as adding a date line or for example in the case of the jewelry form to update the cost of the jewelry.

During the 2019-2020 sororal year as chairperson while continuing to send mailers I began to meet more often via teleconference to research, discuss and render decisions, memorandums authorizations and directives to allow the Supreme Basileus to carry out her duties and objectives. In recent months we began to meet using platforms such as Google Meets and Free Conference.com video conferencing.

Our meetings also led to seven recommendations for amendment to the Constitution and Bylaws. These recommendations fall under four basic topics: (1) Name Order for Chapter Charters, (2) National Office Slate Vacancies,(3) Contingency Policy and (4) Addressing Low Chapter membership. They are as follows:

**Tau Gamma Delta Sorority, Inc.**  
**Recommendations from the Supreme Directorate 2018 -2020**

**Constitution & Bylaws**

<b>Background:</b>	At the request of the Supreme Basileus the Supreme Directorate reviewed the Chapter Charter List and recommends that the next five names [following Upsilon Omega for the Alabama Chapter]
<b>Amends:</b>	<b>Graduate Chapters Article VII.B [C&amp;B p.47]</b>
<b>Currently Reads:</b>	Graduate chapters shall be named after the letters of the Greek alphabet in order of establishment until the twenty-fourth chapter is established and the twenty-four letters of the alphabet exhausted. Then Omega shall become the base letter for the name of each chapter e.g. Alpha Omega, until the twenty fourth chapter is established.
<b>Modification:</b>	<p>Graduate chapters shall be named after the letters of the Greek alphabet in order of establishment until the twenty-fourth chapter is established and the twenty-four letters of the alphabet exhausted. Then Omega shall become the base letter for the name of each chapter e.g. Alpha Omega, until the twenty fourth chapter is established. <b>Then Alpha shall become the base for the name of each chapter e.g. Alpha Theta until the twenty fourth chapter is established.</b></p> <p>The next five names will be: <b>1. Chi Omega 2. Omega Omega 3. Alpha Alpha 4 Alpha Beta 5 Alpha Gamma</b></p>
<b>Rationale:</b>	To avoid confusion, mix-up and challenge of memory we will start fresh by repurposing Alpha. Alpha names were originally used for the undergraduate chapters. Undergraduate chapters were abolished several years ago.

**Tau Gamma Delta Sorority, Inc.**  
**Recommendations from the Supreme Directorate 2018 -2020**

**Constitution & Bylaws**

<b>Background:</b>	The National Graduate Organizer does not have a budget yet is expected to scout and assist Regional Directors from coast to coast in organizing new chapters. The cost of travel, of outreach to newspapers and other public relations efforts have increased in cost yet this officer does not have a budget. It would be a great support to have assistance from sorors of a region who know their region's landscape and possible opportunities/areas for growth.
<b>Amends:</b>	<b>Regions- Article V-Section 2a Duties [C&amp;B p 36 - 37]</b>
<b>Currently Reads:</b>	The duties of the Regional Directors are numbered 3-5. This will add to the duties of the Regional Director.
<b>Modification:</b>	<b>The Regional Director will appoint a Soror to serve as the Regional Liaison to the Graduate Organizer. The Regional Liaison to the Graduate Organizer will assist the Graduate Organizer seeking interest and contacts in the cities within the region for the purpose of building new chapters. Whenever a new chapter is installed within the region she shall assist the National Graduate Organizer in the logistical planning of the Inauguration.</b>
<b>Rationale:</b>	Rather than eliminate the position of Graduate Organizer, each region will appoint a Soror to serve as Regional Liaison to the Graduate Organizer. This Soror is to assist the Graduate Organizer by seeking interest and contacts in the cities within the region for the purpose of building new chapters.

**Tau Gamma Delta Sorority, Inc.**  
**Recommendations from the Supreme Directorate 2018 -2020**  
**Constitution & Bylaws**

<p><b>Background:</b></p>	<p>It is of great concern to the Supreme Directorate that the membership of the sorority is not growing. We have discussed and brainstormed the many factors that may have led to what we see when looking at the Quarterly reports. We do not want to keep losing chapters. It is however a natural by-product to stagnant growth. Also we want to be more sisterly about helping, encouraging and nurturing each other. Someone said, "The potential of an organization rests on the strengths of its people." Our strength should be in our sisterhood.</p> <p><i>We strongly suggest that when Regional Directors notice while reading the quarterly reports that any chapter in her region appears to be struggling with membership and with implementing the National programs to please take time to help someone along the way.</i></p>
<p><b>Amends:</b></p>	<p><b>Chapter Obligations &amp; Reports Article VII.D Section 1 (C&amp;B p49 -50)</b></p>
<p><b>Currently Reads:</b></p>	<p>Currently does not include specific language regarding how many members are needed to maintain a chapter once it has been chartered</p>
<p><b>Modification: Recommendation</b></p>	<p>Each local chapter will maintain a minimum membership of five. When a chapter's membership falls below five during any sororal year efforts should be made to increase it to the minimum by the next Boule.</p> <p>Should the chapter fail to increase its membership by Boule the Supreme Directorate will recommend that the chapter be placed into Probation status. During probation status the chapter will retain all chapter rights accorder to it by the Constitution and Bylaws</p> <p>Should a chapter's membership fail to increase by Boule the Supreme Directorate will place the chapter in probation status. The chapter will then have two years [Boule to Boule] to increase membership. Should the chapter be unable to increase its membership to a minimum of five members by the following Boule the Board will recommend to the body that the chapter be placed on inactive status. Its members will be given the opportunity to transfer into another chapter or to become Members-at-Large.</p>

<b>Rationale:</b>	If five ladies are needed to start a chapter and five members are needed to have one vote at Boule, would it not stand to reason that five members would be the minimum needed to sustain a chapter? Although a chapter may be able to function with less by paying the fees and not actively engaging in the National programs or in some cases even actively engaging in the National programs; what happens to the chapter if/when members become ill or transition?

<b>Background:</b>	It is hoped that this is one way to assist the Nominating Committee to qualify sorors who want to run for an elected National office.
<b>Amends:</b>	<b>Regional Council [HB p117]</b>
<b>Currently Reads:</b>	This will add a section for Duties of the Regional Council.
<b>Modification:</b>	<b>The Regional Council will convene during Boule-in-Session assist the Nomination Committee, when needed in the review and verification of the qualifications of sorors who wish to be nominated from the floor.</b>
<b>Rationale:</b>	To create a process for timely review and verification of the credentials of Sorors who make a decision to be nominated from the floor for a position that is vacant on the circulated slate.

<b>Background:</b>	In response to the request of the Supreme Basileus that the Supreme Directorate develop contingency policies to address the following concern <i><b>What should be the procedure if no qualified member wants to serve as Supreme Basileus? Would the Supreme Directorate step in as de facto Supreme Basileus ?</b></i> The Supreme Directorate recommends the following to the question
<b>Amends:</b>	<b>Special Committees – 1)Nominating Committee ( HB p.67)</b>
<b>Currently Reads:</b>	N/A this would be an addition to current language
<b>Recommendation:</b>	In the case where there is no qualified member desirous of serving in the position of Supreme Basileus the Nominating Committee Chairperson or Assistant Chairperson may invite the Sorors applying for the positions of First Anti- Basileus and Second Anti-Basileus if they are interested in applying for the office of Supreme Basileus.
<b>Rationale:</b>	We have learned to expect the unexpected and be prepare for any contingency.

## Tau Gamma Delta Sorority, Inc. Recommendations from the Supreme Directorate 2018 -2020

### Move into Inactive Status

<p><b>Background:</b></p>	<p>Beginning in <b>2018-2019</b> first quarterly reports it was noted that Omicron Chapter [Jamaica, NY] and Phi Chapter [Jackson, NC] each had only three chapter members. Questions raised [1] have they been voting at Boule when eligibility for voting is five members? [2] Are Regional Directors doing anything to assist? There was discussion and concern regarding the ability of a chapter to function properly if it only has three members or less? Is it just that the chapter has no voting rights? Per the Constitution/bylaws a chapter must have five members to equal one vote. Therefore with less than five members a chapter has no voting rights. Should the inability to execute the national programs with fidelity be considered?. ## **REPORT OF THE SUPREME BASILEUS**

To our Founder, Supreme Directorate, National Officers, and Sorors of Tau Gamma Delta Sorority, Incorporated:

It has been a privilege and an honor to serve as your Supreme Basileus. There were some expected challenges along the way, and unexpected ones as well. However, the challenges we faced created opportunities to accomplish the goals to move Tau Gamma Delta Sorority forward. I have executed the duties and responsibilities of the office of Supreme Basileus to the best of my abilities. The first of my duties among several is to manage all the units of the sorority effectively to create harmony, love and respect among the sorors. The collaborative efforts of our National Officers' working as a unified team is the main reason for our success these last two years.

Membership growth has been the focus of the Sorority for a long time. The progress to add new members has been slow and a major concern. The total number of members has been range bound for several years despite efforts in this area. As new members had joined the sorority, we had members go inactive resulting in no increase in the totals. There is now an urgency for every chapter to bring in new members, and not lose members. We celebrate our members who have joined since the last Boule, and new chapter Upsilon Omega, inaugurated November 2019.

There were two major accomplishments in 2019-2020: the first, was the sale of the Sorority House. The Sorority was able to sell the House and also recoup losses for property damages before the sale. Second, we accomplished the successful upgrades to the website and to bring the site back online. We made progress on updating sorority forms, pledge manual, and the Star Newsletter posted on the site. We plan to design and make new enhancements to the website in the future.

At the National Officers' Meeting in August 2019, there were 7 new sorority initiatives proposed:

- Initiative #1 Redesign Sorority Membership Card
- Initiative #2 Create a National Membership Database
- Initiative #3 Assign a Member Number to every Soror

- Initiative #4 Reprint Sorority Handbook or post online
- Initiative #5 Develop a Standardized Virtual Rush PowerPoint Tool
- Initiative #6 Develop a National Online Voting/Survey Tool
- Initiative #7 Design Enhancements for the Sorority Website

I am proud to announce progress on the redesigned membership card and member numbers created for every soror. These designs will be submitted to the Supreme Directorate for review and approval. The immediate goal for member numbers is to be able to log onto the website using a personal member number. Plans to place the Sorority Handbook on the website are moving forward. The Sorority has started to use online tools such as the online poll for voting used in September 2019, and the Boule online registration form in June 2020.

There were some administrative duties and oversight responsibilities that I was not able to get to in the last two year. The first, to attend the regional conferences, and second, provide more guidance and direction to the Regional Directors to ensure that the regions and chapters were operating uniformly according to the Constitution/ Bylaws, procedures and protocols. One of the duties of the Supreme Basileus is to exercise supervision over the four Regional Directors and their Assistants to ensure the chapters under their respective jurisdiction are operating according to the laws and regulations of the sorority. Another area I was unable to review, is the Tauette Club program; the handbook, forms, etc., and if the goals of the program are being achieved. A full review of how we are mentoring young girls is important for the Sorority to be instrumental in producing the next generation of our future leaders.

The unprecedented coronavirus pandemic has forced everyone to adjust to a 'new normal'. The duration of COVID-19 is unknown. Due to lack of Federal government leadership and a national plan to deal with the virus, all businesses, organizations and citizens must figure out what the 'new normal' will be and how to live with the virus for now. TGD will continue to use technology to move our organization ahead. All sorors must learn to adapt to these changes.

The Supreme Basileus expenses for 2019 and 2020 have been submitted to the Supreme Epistaleus with all vouchers and receipts for reimbursement.

Thank you for your confidence in me, and your support, and the opportunity to serve as the Supreme Basileus of Tau Gamma Delta Sorority, Inc.

Respectfully submitted,

*Report of the Supreme First Anti-Basileus*

To our Founder, Supreme Directorate, Supreme Basileus, National Officers, Regional Directors and Sorors of Tau Gamma Delta Sorority, Inc., Greetings

It has been an honor to serve as your Supreme First Anti-Basileus from July 2018 to the present time. The Sorority year started with an unexpected challenge in the Sorority House. I was asked by the Supreme Basileus to handle the concerns of the Sorority House in February 2019. As First Anti-Basileus I have tried to execute the duties and responsibilities of this office in a businesslike and professional manner. In working with the Chapters of Tau Gamma Sorority, Inc., I find that communication is a key factor in the success of this office as well as the responsibility of Chapters sending reports in on time.

During my tenure as Supreme first Anti-Basileus, I have the responsibility as the National Chairperson of Founder's Day, and the Scholarship Committee according to our Constitution and By-Laws. Also, chaired the Sorority House Task Force Committee. In addition, to compile a National roster of Scholarship recipients. The Sorority year 2018-19, *14 out of 16 Chapters* held Founder's Day Observance, and the Sorority year 2019 – 2020 *thirteen Chapters* held Founders' Day Observance. The Chapters held outstanding and creative programs to honor our Founder's.

Chapters mailed form TGD-40 along with the beautiful printed Founder's Day programs to this office, but there were Chapters that did not. Names of Chapters who did not submit their report were sent to the Supreme Basileus and the Supreme Epistaleus. Several Chapters have made donations to support the Founder's Wayne State University project. Thank you to all Chapters who sent a donation for this effort. Detailed Chapter information is attached to this report.

The Chapter Scholarships awarded to students in 2018-2019 was \$19,512, and 2019-2020 \$24,706. As you can see there was a increase in Scholarships awarded. Thank you to all Chapters. A special thank you to Chi Chapter, Tau Chapter and Pi Chapter for their donations of over \$6,000 in Scholarships the past two years. The total Regional Scholarships for the Sorority year 2018-2019 was \$3,000 and 2019-2020 \$3,500. Chapters are required to send form TGD-43, the Scholarship Reporting Form to the Supreme First Anti-Basileus by June 30 each year. Reminders and forms were sent to Chapter Bacilli in a timely manner. Challenges still exist in receiving Scholarship information from Chapters.

As Chair of the Sorority House Task Force, I held a phone Conference meeting in October with our Founder, Supreme Basileus, and Committee Members. Discussion, plans, and goals were set for the Sorority House. Duties were assigned to Sorors to complete task pertaining to the House. Since that phone conference meeting in October, the sorority House was severely damage due to water in February. I focused on the challenges of the Sorority House and not the Sorority House Task Force Committee, but the work that was planned by the Sorority House Task Force was Committee completed.

In closing, I would like to thank all the chapters for their support and hard work during the Sorority year, and our Supreme Basileus for her leadership to help build a stronger Sorority that we are all proud to be members of.

Respectfully submitted,

Ernestine Gordon

**Late Reports**

**Concern:** For my understanding, what is the rationale and purpose of the June 15<sup>th</sup> Membership Report from chapters. Not all chapters submit reports; and even with June 15<sup>th</sup> counts an increase or decrease in chapter activity could occur between June 16<sup>th</sup>-June 30<sup>th</sup> which would be reflected on the 4<sup>th</sup> Quarterly Report which reflects the true end of year membership total.

**Although this is a very challeging position, I am always delighted to do my best in my service to TGD.**

**This year will really be a challenge due to the Covid-19 pandemic. I really have to be on top of everything in that our virtual Boule will be on a ZOOM Webinar. This is a new experience for me. However, I am looking forward to the challenge.**

**I was elected as the Supreme Anti-Grammateus at Boule' 2018. For me, this was unexpected but inspiring.**

**Initially, the duties of this office were completed by the out-going Supreme Anti-Grammateus.**

**I attended the National Officers' Meeting held August 23-24, 2019. At the request of Supreme Grammateus Soror Ann Taylor and Supreme Basileus Soror Caffie, I recorded the minutes for the meeting.**

**The minutes consisted of discussions, decisions, and committee reports. Printed copies were sent by mail to the Supreme Directorate Chairperson Soror Pamela Garrett, Supreme Basileus Soror Fayette Caffie, and Supreme Grammateus Soror Ann Taylor. An electronic copy was also emailed to the Supreme Basileus. This task was completed by mid November 2019.**

**I am presently in the process of collecting and updating data for the 2020-2022 TGD National Roster Directory.**

**At times, I found these tasks quite challenging, but I have gained invaluable insight into this sorority. I greatly appreciate the confidence to fulfill the duties of this office.**

**I sincerely thank Soror Belinda Morton (Tau) for her guidance and support.**

July 8, 2020

To our Founder, Supreme Directorate, National Officers and Sorors:

It has been a pleasure as well as a challenge to serve as your Supreme Tamiochus these past years. I have learned a lot. I am grateful and honored that you gave me the opportunity to serve in this capacity.

This position is one of the most important positions in the Sorority as it is vital to the history and future development. It is so vitally important to have support and cooperation to maintain accurate financial/bookkeeping of the organization. How an organization conducts its finances tells the story of its sincerity and substance.

I hope I have been competent in my performance and have served you well. Again, thanks for trusting me to do this important task.

Congratulations to the next Supreme Tamiochus and hopefully she will find this position to be as rewarding as I found it to be.

Respectfully Submitted,

“Illuminating the Pathway”

58<sup>th</sup> Boule July 22, 2020

National Theme “Reaching our Vision through Sisterhood and Service”

With pleasure I give the National Public Relations Director Report for 2018- 2020.  
My duties included:

1. May 2019: Presented Western Region Conference Workshop Title:” Public Relations Can Attract Prospective Members”.

Objective: To launch a publicity campaign that highlights an event that promotes TGD as a whole.

Focus: Explore Public Relations Communication Tools and Techniques

Tips: Usage of P.R. tools including sending out press releases, partnering with the media and using social media.

Outcome: Create a sample Press Release.

The Workshop was well received.

2. July 2020: Created a Press Release approved by Supreme Basileus Caffie announcing the 58<sup>th</sup> National Convention for posting by chapters in their cities, TGD Website and TGD Facebook page. The release noted members will be attending Boule via Zoom conferencing platform.
3. Handbook page (57) reads: National Public relations Director shall include in her files a reference book on “Professional Guide to Publicity” by Richard Wiener. Currently this book is out of print and has been for some time. This was brought to the attention of the Supreme 2<sup>nd</sup> Anti- Basileus for review. The paragraph has been deleted.
4. Due to the impact of COVID-19 on public gathering limitations, TGD’s scheduled public programs and participation in community events have also been greatly impacted. Consequently, reducing public awareness to TGD.

**Report of the National Communications Director**

**To our Founders, Supreme Directorate, Supreme Basileus, National Officers, Regional Officers, and Sorors of Tau Gamma Delta Sorority, Inc.**

It has been an honor to serve as National Communications Director. I wish to thank Soror Fayettea Caffie, our Supreme Basileus first, for her foresight in anticipating the need for this position. The need for this position is very clear. Sorors of TGD are using the internet more and more; especially during this pandemic as we strive to achieve the goals and objectives of TGD. Additionally, we are using the internet more because of the speed in getting information to sorors and to save on mailing costs; not to mention the fact that we are unable to meet in-person. This position serves to ensure quality assurance or an extra layer of proofing/edits of our documents before their final submission to sorors and/or the general public.

Since Boule 2018, the bulk of my duties have been to assure the quality assurance of the Star Newsletter and documents of national officers as per request. Along with Soror Applewhite, our National Editor-in-Chief, we have worked to get a quality Star Newsletter out to every chapter in a timely manner. I would like to extend a special thank you to Soror Applewhite for her hard work, expertise, and timeliness in working on the Star Newsletter. Additionally, I would like to thank all of the Chapters that contribute great articles to the Star Newsletter. In going forward, it is clear that the use of the internet will be the main mechanism that Tau Gamma Delta Sorority, Inc. will need to carry on its business. I applaud the adaptability of sorors who have been able to meet the challenges involved in our virtual operations due to this 2020 pandemic for now, and for the foreseeable future. Additionally, I hope that this position offers some assurance to sorors that what we put on the web are of the highest quality of material.

In conclusion, the challenges that existed because our website was down have been eliminated. We now have an up and running and very professional website. Additionally, this position has encountered no work that needs follow-through for the new sorority year; and there have been no expenses incurred in this position.

Respectfully submitted,  
Soror Doreen McKenzie

Tau Gamma Delta Sorority, Inc.  
National Chaplain Boule Report  
July 21-25, 2020

It has been a pleasure serving Tau Gamma Delta Sorority, Inc. for the past two sorority years. I hope that the devotions were inspiring and uplifting. Even though this has been a very rough sorority year for me, I have tried my best to get the monthly devotions out on a timely basis.

We lost eight of our beloved Sorority Sisters'. They are Sorors: Dorothy Allen (Xi), Annetta Lee (Psi), Michaela Lynn White (Tau), Catherine Mc Coy (Kappa), Soror Barbara Cole (Gamma), Soror Emma Lillian Taylor (Beta), Soror Annie Christine Bland (Pi), Soror Omega Parker (Lambda). Also, we have had a lot of illness within the sorority and our family members since our last Boule. Please keep all of our Sorors and their families in prayer. Also, the world as a whole in these very troubling times.

At Boule, I was given a \$600.00 advance for my use. As of today, I have spent \$846.50 for my supplies such as; postage, envelopes, labels, ink, and cards. I will be submitting my vouchers along with the receipts to the Supreme Epistoleus. One voucher will account for the \$600 and the second one will be for a reimbursement of \$246.50.

In order to decrease the costs, I am recommending that we send the devotions out by email to all Sorors that have email. For Sorors that do not have email, we would continue to send them out by mail. This would decrease the cost of ink and postage considerably, which are the two higher priced items.

I am asking that all chapters be reminded that when a Soror passes away to submit their obituary, or the equivalent thereof, to the national chaplain for the Book of Memoriam. They were due by June 1<sup>st</sup>. I still have not received all of them.

I will continue to do my best to serve Tau Gamma Delta Sorority despite my personal grief and loss that I am experiencing. Let us go forward by putting and keeping our hope, trust, and faith in God who has all power in his hands.

Respectfully submitted,

Soror Mary Gabriel  
National Chaplain

## National Webmaster Report

To our Founder, Supreme Directorate, Supreme Basileus, National Officers, Regional Directors and Sorors of Tau Gamma Delta Sorority Inc.

It has been my pleasure to serve as the National Webmaster for the past 10 months. I wish to thank Soror Dixon for her hard work on our website over the years, she and her team were instrumental in the redesign and relaunch of our website in 2014. I appreciate all of her assistance in the transfer of her duties and hope to be able to fill the big “heels” that she left.

The National Webmaster shall develop, design and maintain the website. She shall upload all pertinent information and keep the website current.

[www.taugammadeltasororityinc.com](http://www.taugammadeltasororityinc.com) was taken offline on January 22, 2019 due to being compromised. We hired a consultant to guide us through the process of getting the site cleaned of malware and back up and running. The website was brought back online on March 22, 2020.

In the process of bringing the website back online, I installed a new WordPress theme, Neve and updated all 44 pages on the website to be compatible with the new theme. I also uploaded the press release for Boule, added Boule as an event on the website, updated forms #33 and #45, updated the pledge manual and uploaded the last three releases of The Star.

We will continue to utilize Sucuri to monitor our website for vulnerabilities to hacking. This is an annual charge but is necessary to avoid any downtime. I will also monitor the website regularly to keep the theme and the other applications updated.

Fr: The National Historian, Tau Gamma Delta Sorority, Inc.  
Dt: July 10, 2020

Greetings Founder, Supreme Directorate, Supreme Basileus, National Officers, and Members.

Thank you for another opportunity to serve as your National Historian. This year has been challenging and rewarding. We discovered that we are adaptable (successfully holding meetings with zoom). We are tenacious, enabled, and committed to doing good work in our communities. We are survivors dedicated to maintaining our health. We are supported in our efforts by Soror Fayette Caffie, our National President, who will not quit. She was undaunted as she dealt with the selling of our Sorority House and the reconstruction of our website while trying to hold regional and national meetings during a pandemic.

The attached spreadsheet reflects the data collected from the submission of the History Chapter Report 28. Thirteen reports were received from the chapters with one exemption (Upsilon Omega). I did not receive reports from Phi, Kappa, or Omicron. Due to the pandemic, several national activities were canceled due to stay at home orders, but some regions were successful in holding Zoom meetings to conduct business. We were successful in raising and donating \$19,400 for scholarship and charity awards.

I initiated a proposal with the help of Soror Selena Richardson and the blessings of the Supreme Basileus and Supreme Directorate to capture the history of our Founder, Juanita Parnell, unfortunately, this initiative had to be tabled because of the pandemic. We hope to complete the project when the pandemic is over, and we have returned to a new normalcy.

I still have concerns that the reports I receive do not sufficiently reflect all our history or activities we are involved in and that we don't have a safe and accessible repository. We are unable to access documents from the past that we need presently. To do justice to our future growth and development, we take the necessary steps to expand our gathering of information that includes operational growth like social media and a national website, functional changes like the selling of the Sorority House and historical changes like surviving a pandemic. I have begun researching ways to make changes to how we collect, report, and retain our history. I am providing my recommendations on a separate sheet for consideration.

Respectfully submitted,

Sharee Wharton

Recommendations:

A working committee needs to be established to review the Chapter History Reports to update the report to include ways to record organizational changes and historical changes.

The Supreme Basileus and National Officers should continue their investigation of fraternity/sorority membership databases to include a repository for storing individual chapter history that is maintained in the cloud and can be easily accessed as needed. This should include all legal documents that belong to individual chapters.

The working committee should develop new guidelines that chapter historians can follow in reporting individual chapter history to include the tracking of individual achievements and major contributions to our society.

The website site should have a historical section that traces our history from its beginnings.

DIRECTORS  
REPORTS**

***Tau Gamma Delta Sorority, Inc.***  
***"Illuminating the Pathway"***

**Central Regional Directors Report**  
**2018-2020**  
**58<sup>th</sup> Boule July 2020**

To our Founder, Supreme Directorate, Supreme Basileus, National Officers, Regional Officers, and Sorors of Tau Gamma Delta Sorority, Inc.

As the Assistant Regional Director for the Central Region, I have performed my duties to the best of my ability. I would like to thank Founder Juanita Parnell for her support, Soror Jeanetta Patterson and the Sorors of Gamma guidance and support, and the support of our Supreme Basileus, Soror Fayette Caffie.

The Central region has undergone major reconstruction since the last Boule. Gamma became active and has grown. Thank you, Gamma for your contributions. Beta was tasked with the Sorority house events. Our efforts were on that venture, membership and Sorority functions and duties took a back seat as the Sorority house issue devoured our resources. However, our chapter remained vigilant, financial, and supportive of the sororities Regional, Local and National duties and responsibilities.

**2018-2020**

There are 2 active chapters in the Central Regional unit. Beta and Gamma. Both chapters met all financial obligations, submitted quarterly reports, and other required reports at the local, regional, and national levels on time and without penalty. Both Chapters participated in celebrating Founders' Day. Gamma contributed to a Charity of choice, "Grit into Grace".

**Girt into Grace** introduced by Soror Alatha Johnson, Gamma as an ongoing community service project. This project is phenomenal. It began with the structural renovation of an abandoned house. Yes Gamma has carpentry skills. Grit into Grace is a Home for the Heart. A place of refuge and rest, the Dream House exists to provide community and a place of belonging to women who are at risk of or are currently experiencing commercial sexual exploitation, where personal relationships deepen as we walk alongside women, helping to meet social, spiritual, and physical needs and encounter Jesus along the way. Gamma continues to support this mission with donations of personal items, proving seminars, assisting with social encounters and spiritual guidance. Job well done Gamma. Gamma also support Wheeler Mission, Mens homeless shelter. Organized Rummage Sales to increase funds and many other activities remaining visible and active in the community.

2018-2019 Regional Conference was held via phone conference. Gamma attendance 13, Beta attendance 4. We discussed/planned a strategy to increase membership and chapter finances. Detail was presented regarding the Sorority House, its contents and moving forward. The Regional handbook was reviewed Corrections/deletions and updates were made. Officers were selected for 2020-2022 season.

2019-2020 Regional Conference was cancelled due to the Covid 19 Pandemic.

Quarterly reports were electronically sent to the designated officers by the due dates.

Chapter monthly meetings were held wither in person or by telephone conference.

Beta held a rush party on February 22, 2020 at the Joseph Walker Williams Recreational Center. Founder Parnell introduced the Sorority its mission and welcomed the candidates. We were surprised with a guest Soror from Gamma, who also brought a candidate for Beta with her. Thank you, Soror Nikki Miles. The program was chaired by Soror Camille Mathis. Applications were accepted.

Beta's charity consisted of Supporting the Ronald McDonald House Tabs program, Academic Scholarship was not supported.

## **Report from the Southern Region Boulé 2020**

To our Founders, Supreme Directorate, Supreme Basileus, National Officers, and all Sorors in attendance:

It is with much pleasure that I serve as Director of the Southern Region of Tau Gamma Delta Sorority, Inc. The members of the Southern Region are working together to maintain current membership, to reinstate inactive members and chapters, and to recruit new members. They are also continuing the vision of our founders: “Illuminating the Pathway.” I thank them for all of their efforts and support during the past two years and also for electing me to another two-year term.

It has been a busy two years working alongside my regional officers and our membership to get things done. While in office I have visited all chapters, sat in on meetings, attended chapter events as well bring in a new chapter! I am overly excited to report the following:

The Southern Region is comprised of seven active chapters and eighty-seven active members:

Kappa – 14	Lambda – 16	Chi – 16	Beta Omega-15
Epsilon Omega – 6	Xi Omega – 15	Upsilon Omega – 5	Phi -

Inactive

Since Boulé 2018, we initiated sixteen, reinstated one, and are currently working to initiate one. Seventeen members became inactive. And, sadly, we lost two of our members:

Soror Omega Curtis Parker (Lambda)  
 Soror Catherine McCoy (Kappa)

Phenix City, Alabama chartered a new chapter in November 2019 with five members (Upsilon Omega).

There were seven active chapters that were represented at regional activities. Kappa Chapter hosted our Sixty-First Regional Planning Conference in November 2017 and the Sixty-First Conference in March 2018. The attendance at the regional meeting was 44, respectively. Beta Omega Chapter hosted the Sixty-Second planning Conference in November 2018 and Sixty-Second Regional conference held in March 2019, with thirty-six present. In November 2019, Xi Omega held our planning conference for our Sixty-third Southern Regional conference which in turn was post postponed due to Covid-19.

During our Conference in Wilson, NC, it was brought to our attention that we need focus more on increasing membership within the South. We brainstormed and spoke about several ideas to help raise membership.

In the last two years the region has presented 2 Charity scholarships and 2 Academic scholarships totaling \$3000.00. We have had three Sorors of the Year-Sorors Lauminnia Nivens (Kappa) & Jennifer Dixon (Epsilon Omega) -2018 and Soror Carol Wright (Chi)- 2019. As well as two Directors' awards- Soror Lauminnia Nivens (Kappa)-2018 & Soror Maureen Brown (Beta Omega)-2019. All Chapters except for 3 reported Taugadetta Programs and Sisterhood Sunday worship. All chapters observed Founders' Day.

This year our Regional Conference was postponed until next year that will be held in Richmond, VA (Xi Omega). We cannot wait to get back to business and to see one another!

All Chapters except for 1 (Upsilon Omega) has Tauettes but due to Covid activities were cut back to spend with our young ladies. We are looking at ways to meet with them virtually so we can adapt to this pandemic.

The region has performed an abundance of community service projects:

- Proctors for End of Grade Testing
- All Hands On Deck initiative-All Chapters work together to assist the community where the Southern Regional conference is being held
- Assisted passing out bagged lunches during Covid-19
- Adopt-a-Highway Program (three chapters participating)
- Programs, gifts, entertainment for seniors in rest/nursing homes
- Thanksgiving baskets for the less fortunate
- Care packages to the community on a weekly basis
- Christmas cheer and gifts for many
- Candy for Easter Egg Hunt at a Boys and Girls Club
- Basketballs for a Boys and Girls Club
- Volunteer mentors for high school students
- Blankets for the homeless

- Participated in a gathering of community organizations
- Participated in a Walk-a-thon to raise funds for Breast Cancer, Alzheimer, Lupus, etc.

This is what “Sisterhood in the South” is all about.

ANNUAL REPORT FROM THE WESTERN REGIONAL DIRECTOR  
2019-2020

Jessie Freeman, Regional Director      Ann Taylor, Assistant Regional Director

## SUMMARY

To our Founders, Supreme Directorate, Supreme Basileus, National Officers and Sorors

The Western Region takes great pride in representing who we are with honor and dignity. We have met the challenges and task before us with commitment and dedication. I am honored and proud to serve as the Regional Director.

I have planned, organized and executed the duties of my office to the best of my ability. The hard working spirit of National Officers and Western Regional Sorors have served as encouragement and I am grateful to them.

The only active chapter in the Western Region, Rho Chapter, Los Angeles, has met all financial obligations, submitted Quarterly Reports, and all other required reports at the Local, Regional and National levels on time and without penalty. **Participation** in all National Programs, **Celebrating Founders' Day**, **Contributing** to a local Charity, **Involvement** in Community Functions, **Providing** service to the community and **Presenting** Scholarships to worthy students, to name a few, has made all of us feel proud that we have a conquering spirit and don't give up. The Western Regional Conference was held on May 2, 2020 through Teleconference Technology due to the Coronavirus Pandemic. Sorors actively participated in conducting a successful conference.

There was so much excitement when word was received that there was interest in chartering a chapter in Texas. Intense effort was made by Soror Linda McClellan, 2<sup>nd</sup> Supreme Anti-Basileus and me to contact the appropriate people to make this dream a reality. Unfortunately, the process stalled. Earlier this year I was contacted by Soror Jibrell Crump that ladies in Texas are still interested in establishing a Torchbearers Club. I informed her that until applications were submitted we could not continue the process. No additional information has come to my attention. Effort will continue to increase growth in the Western Region. There has been on-going communication with Member-at Large Soror Bernice Chambers, Las Vegas. Rho Chapter was most happy to have her participation in the Regional Conference as Installation Officer.

Sisterhood Sunday had to be postponed due to CORVID-19. However, sorors found other ways to worship. We pray for our sorors and the entire world during this most difficult time.

One of the highlights of my year came from representing TGD by visiting St Andrews Health Care Center in December and delivered handmade gifts to patients. The smiles on their faces, words from their mouths and tears from their eyes brought joy to my heart. This type of community service is certainly worth all of the work involved.

All expenses incurred were submitted and reimbursed in a timely manner.

I am grateful to the sorors of the Western Region for their support, confidence, and love. We will continue to work to make a positive difference in TGD.

## FINANCIAL OBLIGATION

Quarterly Reports were submitted electronically to the identified officers before due dates. All Local, Regional, and National assessments were paid. In 2018-2019 all financial obligations were met on time. Therefore no penalties were assessed. Scholarship Funds were awarded to qualifying recipients in the amount of \$3000. The Clyde and Ruth Sparks Scholarship Award, established in 2013 by Soror Linda McClellan and Family, was presented again in 2019.

Assistant Regional Director, Soror Ann Taylor introduced a new fundraising concept which sorors approved and accepted. Rhodimes! Sorors filled a 10oz water bottle with “loose change” their dimes, with a full bottle amounting to \$60 per soror. It was an easy way to raise \$660 for our scholarship fund and required little effort.

## REGIONAL PLANNING & WESTERN REGIONAL CONFERENCE

2018-2019 I planned and executed Executive Board Meetings, Planning Conference, Regional Conference and Committee Chair meetings. Agendas and activities were planned for the conference. The Director and Assistant Director presided over the conferences. Soror Elizabeth Russell served as conference chairperson and did an outstanding job. All agenda items were accomplished. A successful workshop was held where sorors were completely involved in a discussion of regional and chapter membership growth.

They were compiled in numerical order, then checked for validity using the current Constitution and By-laws document. The proposed changes in the document were retyped and sent to the entire membership. Our Supreme Basileus asked that each chapter review the proposed changes in the July chapter meeting and take a chapter vote on each proposal.

\*Note: One proposal was for a change to a form (Application for Membership) and will not be included when voting on Constitution and By-law proposals at Boule.

Committee: Budget

Date: July 15, 2020

**Discussion:**

The Budget Committee met on July 6, 2020 to review the 2018-2020 budget and to prepare a proposed budget for the 2020-2022 sorority years.

The actual income for the 2018-2020 budget was lower than the proposed income. This is because the proposed budget was based on a membership of 212 sorors. The total membership was lower than 212. Income was also lower because of the adjustments to the national assessments (the selling of the sorority house and the elimination of boule registration due to COVID 19). The 2018-2020 approved budget compared to the actual numbers for the same period will be included in minutes.

**Decision:**

The Committee made some changes to the 2020-2022 proposed income and disbursements based on the totals from the 2018-2020 budget.

The committee adjusted the National assessments owed by each soror to reflect the current needs of the sorority. Based on these adjustments, each soror would pay a total of \$156.00 in National dues and assessments. The prior total was \$171.00.

Note: Enclosed attachments include

- Proposed 2020-2022 budget
- Proposed updated National Assessments

Recommendation(s):

- 1) Delete the \$25.00 House Administration Assessment
- 2) Add a \$5.00 per soror Website Assessment
- 3) Delete the \$5.00 assessment for the "STAR"
- 4) Add \$25.00 per soror/per year Boule Assessment
- 5) Add a \$10.00 per soror Scholarship Assessment

### 58<sup>th</sup> Boule, July 2020 National Webmaster Report

---

To our Founder, Supreme Directorate, Supreme Basileus, National Officers, Regional Directors and Sorors of Tau Gamma Delta Sorority Inc.

It has been my pleasure to serve as the National Webmaster for the past 10 months. I wish to thank Soror Dixon for her hard work on our website over the years, she and her team were instrumental in the redesign and relaunch of our website in 2014. I appreciate all of her assistance in the transfer of her duties and hope to be able to fill the big “heels” that she left.

The National Webmaster shall develop, design and maintain the website. She shall upload all pertinent information and keep the website current.

[www.taugammadeltasororityinc.com](http://www.taugammadeltasororityinc.com) was taken offline on January 22, 2019 due to being compromised. We hired a consultant to guide us through the process of getting the site cleaned of malware and back up and running. The website was brought back online on March 22, 2020.

In the process of bringing the website back online, I installed a new WordPress theme, Neve and updated all 44 pages on the website to be compatible with the new theme. I also uploaded the press release for Boule, added Boule as an event on the website, updated forms #33 and #45, updated the pledge manual and uploaded the last three releases of The Star.

We will continue to utilize Sucuri to monitor our website for vulnerabilities to hacking. This is an annual charge but is necessary to avoid any downtime. I will also monitor the website regularly to keep the theme and the other applications updated.

Decision:

The Supreme Epistaleus and the Supreme Tamiochus should balance their books each month. Transmittals and Warrants should be done at least twice a month or as needed. The Epistaleus should be able to view the bank account each month.

Recommendation(s):

**2018-2020 NATIONAL MUSIC COMMITTEE BOULE’ REPORT**

**JULY 2020**

To our Founder, Supreme Directorate, Supreme Basileus, National Officers,  
and Sorors of Tau Gamma Delta Sorority, Incorporated

There were plans slated for the 58th Boule’ that will be put on hold until the 59th Boule’ in 2022.

Regional Directors and other chapters contacted me for assistance with the singing of the Hymn, Pledge Songs and other selected songs in the Handbook. A recorded cd and link for Members Only on our website will be investigated for future use.

In the 57th Boule’ the local chapters were challenged to write a Celebration Song to be used at public functions, as well as private TGD celebrations. This will be a focus for 2020-2022. The selected song must be an original. Copyright laws are strict. We cannot use a published melody. When selected and approved the Celebration Song will be submitted for copyright under Tau Gamma Delta Sorority, Incorporated. The persons who penned the text and tune will be listed on the printed score.

I am requesting each chapter to select a member to be a part of the Music Committee to disseminate information and share ideas to enhance the use of music and entertainment in TGD. The technology to speak or sing simultaneously is unavailable, so we won’t be able to sing the Hymn or recite any of the rituals as a group in this virtual format. I look forward to the day when we return to that practice. I will miss time shared with the Melodears. If you have suggestions please share them with the Committee.

Respectfully submitted,  
Soror Loretta F. Daniel (PI) – National Music Director

Committee: Volunteer Award

Date: 7/23/2020

Discussion:

The selection of a TGD member to be the recipient of The Juanita Parnell Volunteer Award for the most volunteer service hours that were completed from Boule' 2018 to Boule' 2020. Several members submitted their volunteer services hours as performed from July 2018-June 2019 to July 2019-June 2020.

After a review of the submitted information of volunteer service hours performed; Soror Belinda Morton of Tau Chapter was chosen as the 2018-2020 recipient of The Juanita Parnell Volunteer Award with a grand total of 1,483 volunteer service hours. Congratulations to Soror Belinda Morton and all the volunteers for a JOB WELL DONE!

Recommendation(s):

Encourage all Sorors to continue their tremendous work with volunteer services and submit their volunteer service hours on Form TGD 54-A (Member Volunteer Report Form) as provided on the Sorority's website. **Discussion:** Teleconference meeting was held Thursday, April 23, 2020. Items on the attached Agenda were discussed. Committee description needs REVAMPING. Purpose and function of this committee not clear. What is the committee tasked to do when they meet in 2022? The function described are the responsibility of the Supreme Second Anti-Basileus so what is the purpose for the committee? Soliciting inactive members is the responsibility of the local chapter.

**On Friday, April 24, 2020** Soror Shirley Plater called Membership Chairperson for summary of teleconference held 4/23/20. She advised that Soror Kingel was unable to participate in call.

**Decision:** More questions than answers relative to handling the priorities of the Supreme Basileus without a conversation (see recommendations)

**Recommendations:**

1. Revamp Committee description and purpose.
2. By August 2020 Supreme Basileus Caffie request committee to (1) create a membership information system or Data base (2) Assign membership numbers to all financially active members, but the development and purpose of this system is unclear and requires a conversation with the Supreme Basileus for her to share her vision, overall goal, purpose, proposed usage for the system, and other pertinent questions that will help to guide the creation of the MIS system. A previous communication sent on January 15<sup>th</sup> determined this was a technical computer program software issue and not membership committee which consist of novice literate individuals. The membership can be instrumental in identifying the categories of the MIS system. Conversation to include Supreme Basileus, sorors on technology and/or website, and membership committees that have the skills to create what is being requested. (Note: a poll taken of membership committee members one has a working knowledge of excel the other limited computer skills. Committee is stagnant and needs clarity to move forward.
3. Recommends the Membership Data System goes to the Supreme Directorate for approval since this would change how we operate and would be a system that would become mandatory under someone's job description.

**2020 National Nominating Committee Report**  
**July 6, 2020**

Soror Taylor, I am including this report in conjunction to the minutes from the 2020 National Nominating Committee. The Corresponding Secretary of the Internet (CSI), Soror Belinda Morton, emailed National Officers applications and profiles, on April 1, 2020 to all Chapter Basilli to distribute to their members. National Officers holding an eligible position was notified by phone to see if they wanted to run again. Everyone said yes except the Tamiochus, Soror Selina Richardson. She felt that she needed to spend time rebuilding Beta Chapter.

All applications were to be sent to Soror Lowe by May 15, 2020. She sent the National Applications, Candidate Profiles, and a National Score Sheet to everyone on the nominating committee. On May 19, 2020, the nominating committee met by way of teleconference to discuss each candidate. On May 20, 2020, I spoke with Soror McClellan about sending the National Slate to her. She informed me that the CSI should email the National Slate and Candidate Profiles to the Chapter Basilli. The CSI emailed the Nominating Slate and Candidate Profiles to all chapter Basilli, on May 22, 2020.

The Basilli were instructed to share the Nominating Slate and Chapter Profiles with their chapters for the National Offices 2020-2022. Soror Lowe requested that any interested soror apply by June 30, 2020 for any office and especially the two open positions. The candidate for the Supreme Directorate Two Year Member-at-Large didn't qualify for that position because she never served on the national level. The Supreme Basileus and Supreme Directorate Chair, felt that we must stop making exceptions and follow the qualification guidelines. As of July 6, 2020, I have not heard from any soror interested in a National position. Since we have not heard from any soror for the two available positions, The National Graduate Organizer and Member-at-Large Supreme Directorate officers, we will have to complete the election process during our virtual Boule', in July 2020.

From Founder G. Juanita Parnell  
Re: Founders scholarship account:

Greetings Sorors:

As the remaining founder of Tau Gamma Delta Sorority, Inc. I have been responsible for the financial handling of the Founders Account. I wish to relinquish control of this account.

The Founder account is with Comerica Bank, Detroit, Michigan. This account consist of the monetary gifts from Chapters' Founders day activities and other events.

Soror Parnell sends a donation to the Scholarship recipient at Boule and a yearly donation to Wayne State University.

Why Wayne State University? Because our undergraduate chapter is through Wayne State University and Tau Gamma Delta Sorority has a plaque in Greek Hall at the university. The monies is used for maintenance of that room.

The current process is:

Each chapter is required to send a donation to the founder after their Founders' day celebration.

Founder deposit the donations into Comerica Bank, founder account.

Founder make yearly donation to Wayne State University.

Founder make bi-yearly donation to scholarship recipient at Boule.

Soror Parnell will close the current account at Comerica Bank. The check will be given to the Supreme Tamiochus, who will send the Supreme Epistaleus this letter, and a copy of the check for documentation. The Supreme Tamiochus will deposit the check into the national scholarship account.

An updated process should be amended to the handbook: How to handle Founder's Donations. Chapters should continue to support the Founders fund, however the monies and transmittals should be sent to the Supreme Epistaleus as with all financial obligations.

If there are any questions, ideal or suggestions please contact me. Thank You

G. Juanita Parnell.

### **SORORITY HOUSE REPORT**

#### **58<sup>th</sup> Boule**

To our Founder, Supreme Directorate, Supreme Basileus, National Officers, Regional Directors, and members of Tau Gamma Delta Sorority, Inc.

As you know the Sorority house incurred severe damages in February 2019. I was asked by the Supreme Basileus to handle the concerns of the House. The House was severely damaged due to a crack in the tank of the second-floor bathroom. This caused structural and water damage throughout the House. Several companies were sent in through the Insurance Company to evaluate the condition of the Sorority House.

At the National Officers meeting the Supreme Basileus received a letter from the Supreme Directorate Chair to sale the house. During the meeting, I was asked to proceed in the process of selling the Sorority House.

Mr. Briggs, Realtor was contacted to see if he would represent Tau Gamma Delta Sorority, Inc., in selling the Sorority House. Paperwork was sent from his office and forwarded to the Supreme Basileus for her signature. At that point, the House was put on the market for sale.

During this time Tau Gamma Delta had to make sure that all bills were paid.

Several months latter Tau Gamma Delta Sorority had an offer from Mrs. Cecile Massey of Carry the Word Ministries, a non-profit organization for \$11,000 as is. The Supreme Basileus was notified to see if Tau Gamma Delta Sorority, Inc., would accept this offer.

The Supreme Director and Supreme Basileus discussed this offer and gave permission to inform the Realtor that Tau Gamma Delta Sorority, Inc., accepts the offer.

The Seller Agreement was sent out and forwarded to our Supreme Basileus to view, have notarized, and signed by her. The closing took place on November 12, 2019. Shortly after that the title company sent a check for \$6, 144.20 to the Sorority, which is currently in escrow. The balance after the Realtor, Title company and other fees were taken out of the \$11,000.

Since the House was sold, my final duty was to inventory the items of Tau Gamma Delta that is currently in storage. I, along with the Supreme Basileus had booked our tickets to go to Detroit in April to complete this task. This trip was cancelled due to Covid-19. Prayerfully, this task will be completed within the next Sorority year. Also, Tau Gamma Delta Sorority, Inc., needed an address for our mail, therefore, a Post office box was opened by Soror Richardson. This will serve as our Headquarters for now. I would like to thank Soror Richardson for the work that she completed in packing and having our files and other items moved into the Storage Unit.
